ACTIVELY CHOOSING EDUCATION

Preparing to Study: Do you have a good place to study?

Where is my study space?

If my primary space is not available, where is my alternative study space?

Is my study place free from distractions?

If no, how can I change this?

Is my study place free from interruptions?

If no, how can I change this?

Does my study space contain all the study materials I need?

If no, how can I change this?

Does my study place have enough light?

If no, how can I change this?

Does my study space contain a large enough desk or table?

If no, how can I change this?

Does my study space have enough storage space?

If no, how can I change this?

Is my study space comfortable (but not *too* comfortable)?

If no, how can I change this?

Does my study space have a comfortable temperature?

If no, how can I change this?
